

**UHI | NORTH HIGHLAND**

# UHI's Role in our local communities

Debbie Murray, Principal UHI North Highland

# UHI

- **36000 students**
- **6200 staff**
- **£560m annually to the region**

# UHI

- 72% of our research is world leading
- 4<sup>th</sup> in Scotland in the National Student Survey
- 1<sup>st</sup> in Postgraduate taught teaching
- SCDI Award – outstanding contribution to economic development in our communities

# UHI

- Staff are mainly college employees subject to national bargaining
- Government funding announcements have hit colleges harder than universities for the coming year

## Caithness

Our **Thurso** campus is our main campus and offers over 100 courses ranging from beauty to environmental science. It is also home to the **Environmental Research Institute**, **House of Morven**, **Engineering, Technology and Energy Centre**, and **Rural Studies Centre** which is just a 15-mile drive from Thurso.

[Caithness >](#)

## Sutherland

Our **Dornoch** campus, is home to our **Centre for Golf** which specialises in training our golf degree students and houses our **Hospitality and Professional Cookery** Department and the **Burghfield Training Restaurant**

[Sutherland >](#)

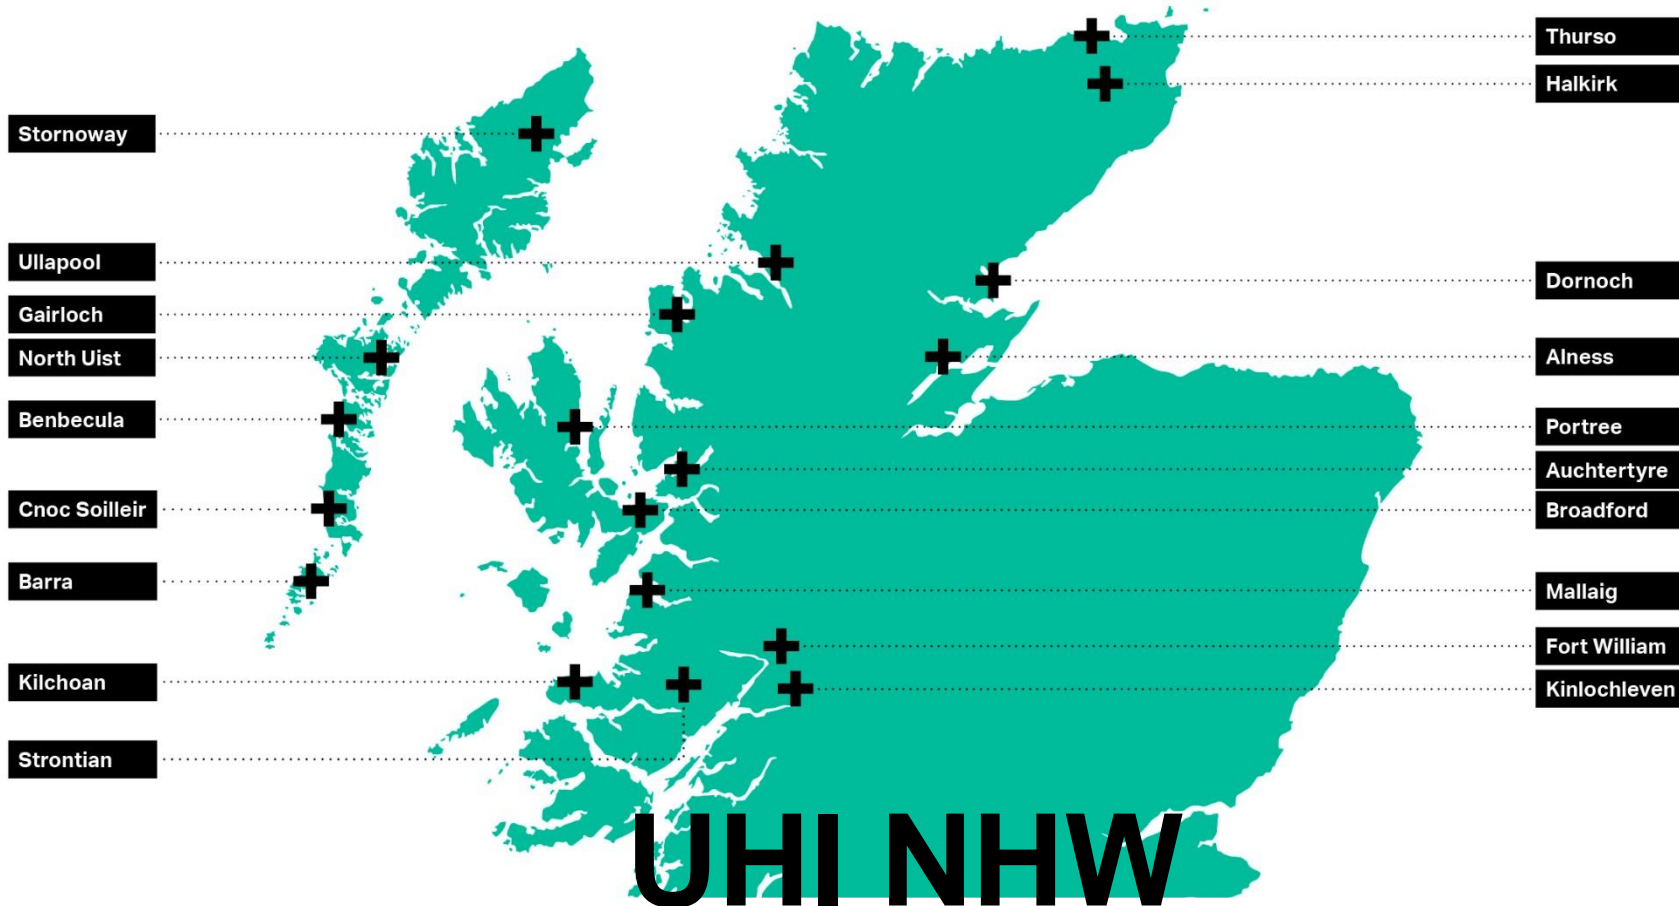

## Ross-shire

Our **Alness** campuses, **Tern House** and **Ballachraggan House** offer a variety of courses in the creative industries and health, education and social care sectors.
